Be sure and fill out all required information. You must pick open or junior exhibitor. Indicate NA in other category. Only check in as a new exhibitor once so we don't have duplicate names in the system. Remember your password, write it down if you get pulled away and have to go back and then just add the rest of your entries. For livestock entries be sure and fill in the breed. (This includes all livestock even poultry). For Livestock entries there is a separate department called open livestock. Please register all open livestock including rabbits and poultry in this department.

Register and continue.....

Tip:

Are you a family or group with multiple exhibitors? Sign in as a **Quick Group** to submit entries for multiple family members or a group of exhibitors and check out all in the same cart.
